

## **The Worlds Grooviest Live Disco Show!**

THE FUNKY HIPPEEZ SHOW is a live thematic production complete with elaborate costumes and antics reminiscent of the late '70s and 80's disco era. The show is a fast-paced, non-stop ride through your favorite K-Tel disco hits. The band consists of the option of four to six members, with the addition of DJ and solid gold dancers upon request. There are many Disco cover bands out there, but none with the flair, soul and non-stop Charisma of THE FUNKY HIPPEEZ SHOW. This Los Angeles based theme band has entertained audiences from as intimate as 100 guests to over 600,000 for the Lakers Victory Parade at the Staple Center in LA. They have been on radio, television and have played numerous Movie Premier Parties, Corporate, Weddings and Private Events. The show has recently been updated with a new cast, music, and production!

The Funky Hippeez's original Disco Funk Song "Foxy Mamma" was used to promote the Hit TV show "Desperate Housewives DVD"! It was also featured in the Focus Film "Something New" and used for the radio and TV Trailers for the Hit Comedy "Barbershop 2"
